651 CMR 12.00 is promulgated by the Executive Office of Elder Affairs (EOEA) pursuant to M.G.L. c. 19A, and St. 1994, c. 354 to set forth the requirements for Certification, renewal of Certification and suitability for Applicants and Sponsors of Assisted Living Residences. The purpose of these regulations is to promote the availability of services for elderly or disabled persons in a residential environment; to promote the dignity, individuality, privacy and decision-making ability of such persons and to provide for their health, safety, and welfare; and to promote continued improvement of Assisted Living Residences. Assisted Living Residences are an important part of the spectrum of living alternatives for the elderly in the commonwealth, and that they should be operated and regulated as residential environments with supportive services and not as medical or nursing facilities, and should support the goal of aging in place through services, available either directly or through contract or agreement, to compensate for the physical or cognitive impairment of the individual while maximizing his or her dignity and independence.

3. The modification, suspension, or revocation of the Certification or refusal to renew the Certification shall remain in effect pending resolution through the Administrative Review and hearing process.

(g) Response to Notice. The Applicant or Sponsor shall respond in writing to EOEa within ten days after receiving the notice of non-compliance, and indicate its agreement or disagreement with the EOEa findings. Agreement with the findings requires the Applicant or Sponsor to submit to EOEa, within a time period acceptable to EOEa, a signed written plan of correction for each finding stated in the report. The Sponsor shall include the following information in the plan of correction, for each cited deficiency:

The Appeal shall be filed no later than 21 days after the notice of action is received by the Applicant or Sponsor.¶

This means that the Residence may continue to operate but shall not accept new Residents after a date specified by the Secretary until the Secretary determines that the Residence is in full compliance with 651 CMR 12.00 *et seq.*¶

The Sponsor shall receive a written notice of suspension of its Certification by EOEa within 24 hours of the decision. The Secretary shall not make such a decision until the Sponsor has been notified that the Assisted Living Residence does not substantially meet the provisions of applicable Certification regulations and that a decision to limit acceptance of new Residents is contemplated, and the Sponsor has had a reasonable opportunity to correct the deficiencies.¶

A decision that an Assisted Living Residence shall not accept new Residents after a date specified by the Secretary shall be rescinded when the Secretary finds that the Residence is in substantial compliance with the provisions of St. 1994, c. 354 or 651 CMR 12.00 *et seq.* If the deficiencies leading to the suspension are not corrected within the time period designated by EOEa, the Secretary may revoke the Certification pursuant (... If the matter is settled, the agreement shall be reduced to writing. If it is not, a written decision shall be issued within ten days.

(c) Informal Hearing. An Applicant or Sponsor who disagrees with the decision of the Informal Review may request an Informal Hearing before the Assistant Secretary or his or her designee. Such request shall be delivered by hand or by certified mail, return receipt requested, and must be submitted within 10 days of the issuance of the Informal Review decision. EOEa shall schedule an Informal Hearing within 15 days after receipt of the request for Informal Hearing. The Informal Hearing shall consist of an informal presentation of the position of the parties and any applicable written documents. If the matter is settled at the Informal Hearing, EOEa and the Applicant or Sponsor shall reduce the settlement to writing. If the matter is not settled at the Informal Hearing, the Assistant Secretary or his or her designee shall review all material presented and within 30 days after the Informal Hearing, forward a decision to the Applicant or Sponsor.

The appeal shall be filed no later than 21 days after the decision on the Informal Hearing is issued.

(b) Scope of Review. If the hearing officer designated by the Division of Administrative Law Appeals finds by substantial evidence any single ground for denial, revocation, modification, suspension or refusal to renew an Application or Certification which ground constitutes a failure or refusal to comply with the requirements of the Act or 651 CMR 12.00 et seq., the hearing officer shall uphold the decision to deny, revoke, modify, suspend or refuse to renew such Application or Certification.

(c) Decision and Action by the Secretary of EOEa. The decision of the hearing officer shall be a tentative decision under 801 CMR 1.01(11)(c). Within 30 days of receipt of the decision, the Secretary shall render a final decision to approve, modify, or disapprove the hearing officer's decision.
